MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 3 to Contract HF-CT-694/
with Westinghouse Electric Corporation Project CHALICE
Equine 2

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 5.

2. The purpose of Amendment No. 3 is to provide additional funds on the contract to cover procurement of replenishment spares and modification kits by FOC for their APQ-56 Radar Sets. The contract is a Fixed-Price-Open-Call type.

3. Amendment No. 3 obligates an additional \$40,000.00 chargeable to Air Force funds during the Fiscal Year 1959. The foregoing, together with a previous obligation of \$195,000.00 brings the grand total contract obligation to \$235,000.00. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
